

# QuickSpecs

Compaq A1500  
All-In-One

## Standard Features

- Up to 1200 x 1200 dpi Hardware Resolution
- 36-Bit True Color
- Stand-alone Copier and Fax
- USB
- ARC Soft Media Browser Photo and Documentation Management, OCR Software

### PRINTER

Laser-sharp text and rich, vibrant color for your most important projects

#### PRINT TECHNOLOGY

- Small ink drop size – 7 picoliters generate photo-quality prints, using standard color inkjet cartridge
- Dual Head/Thermal Inkjet Engine – One black and one color cartridge provide true black, laser-quality text
- 6-color printing compatible – Optional photo cartridge adds additional color tones, for realistic photo prints

#### RESOLUTION

Up to 2400 X 1200 dpi – Offers exceptional quality print resolution for sharp text and photo quality printouts

#### PRINT SPEEDS

- Up to 12 ppm black
- Up to 5 ppm color

#### JOB FINISHING FEATURE

- Allows for booklets, posters, handouts, "n-up" (2, 4, 8 or more to a page), manual 2-sided reverse order and binder printing

#### PAPER TRAY

- Input Tray – Up to 100 sheets
- Output Tray – Up to 50 sheets

#### PAPER HANDLING

Prints on a wide range of papers and forms to meet your every need. Easy drop-in-style loading of paper simplifies maintenance.

- Letter
- Envelopes
- Card Stock
- Inkjet Transparencies
- Inkjet Labels
- Iron-On Transfers
- Photo Paper
- Coated Paper
- Glossy film
- Legal

#### PAPER WEIGHT

- 20-150 lbs.

### FAX

Full-featured stand-alone B/W and color fax – no PC required

#### SIMULTANEOUS FAXING

Send to group fax numbers AND e-mail addresses at one time.

#### RESOLUTION

Up to 300 x 300 dpi – laser-quality text, even on plain paper

#### AUTOMATIC DOCUMENT FEEDER

15-page Automatic Document Feeder

#### FAX MEMORY

- Stores up to 42 pages
- If you run out of paper when a large fax is receiving, the Compaq A1500 will retain your fax in memory until you can add paper
- If you're scanning a large image that takes additional memory, the Compaq A1500 won't lose incoming faxes
- If the line you are faxing to is busy, the Compaq A1500 will remember your fax and resend when the number is available
- Performs dual functions:
  - Send faxes while printing
  - Receive faxes while printing, copying or scanning

#### PHONELINE

- Share one phonenumber for everything
- With automatic fax recognition, you only need one phonenumber for your phone/answering machine, modem and fax

#### SPEED DIAL

- Send up to 70 phone numbers and/or e-mail addresses
- Choose the names from the front control panel and send quick faxes AND e-mails

#### MODEM SPEED

- Up to 33.6 Kbps
- Allows the Compaq A1500 to send and receive faxes without needing the assistance of your PC

### COPIER

Stand-alone copies B/W and color – no PC required

#### RESOLUTION

Up to 1200 X 1200 dpi with PC software in both black & white and color

#### CONTINUOUS COPY

- Makes 1 – 99 copies from an original

#### REDUCE/ENLARGE

- Reduces to 25% and enlarges up to 200%, in 1% increments. Reduce or enlarge the image size on your copies

#### COLLATION

- 1 – 99 original copies
- You can separate copies when more than one copy is made of more than one original

#### CONTRAST

- 5 settings – User-friendly control panel provides five levels of adjustment to lighten or darken copies

### SCANNER

Scan directly to the application of your choice

#### RESOLUTION

- 36-bit full color
- 256 levels of gray scale
- Up to 600 dpi optical resolution
- Up to 9600 dpi enhanced

### COMPAQ CONTROL FORM

Fax, copy and scan in one easy step

Create your personal distribution list and check off the names as you need them. The Compaq Control Form will automatically read and send to your distribution list.

- Easy check-off and send
- Send a single fax to multiple phone numbers simultaneously
- Include an optional handwritten message
- Make copies at the same time you send a fax and scan
- Scan your images with a simple check-off and send

## The Compaq Advantage

### **All-In-One Convenience**

Print, fax, copy and scan in color.

### **Color Print**

High-resolution, photo-quality printouts on a wide variety of media.

### **Color Fax**

Send a fax to multiple fax numbers AND e-mail addresses at the same time. Plus, you can store up to 70 speed dial numbers.

### **Color Copy**

High-quality color and black and white copying at the touch of a button.

### **Color Scan**

Scan documents and photos directly to applications, e-mail or Web pages.

### **Front Control Panel**

Press only two buttons for instant faxing, copying or scanning.

### **Compaq Control Form**

Check off your choices – send a single or group fax, scan or make copies, all in one operation.

### **Print Favorite Web Sites**

Conveniently print your favorite Web sites quickly and easily at one time.

### **Cartridges**

Color cartridge offers vibrant, photo-quality color outputs. Black cartridge delivers text that resists smudging and smearing. Optional photo cartridge for 6-color printing.

### **“N-Up” Printing**

Print multiple pages on a single sheet of paper – saving paper and ink.
