The Compaq Advantage

Compaq MV940 Multimedia Monitor

New space-saving design gives you the large viewing area of a 19" monitor with the same depth of a 17" monitor. Enjoy a professional-sized screen and extra room on your desk.

Speakers

Detachable or attachable, monitor-powered JBL Platinum Series Speakers offer crisp sound and the convenience of a digital audio player jack. Just plug in your digital audio player and listen to tunes without powering up your PC.

New Design

Styled to match the cool new look of the Presario desktop PCs.

Dot Pitch

With dot pitch at .26 mm and a maximum resolution of 1600 x 1200, you'll enjoy incredibly clear, sharp, professional-grade images.

On-Screen Display

A simple, on-screen display menu helps you easily adjust screen dimensions, colors and image attributes.

Plug and Play

Just plug your monitor into your PC, and you're ready to go.

Integrated Telex® Microphone

Built-in, high-quality voice recognition.
